For any participating awards, patches, or feathers, the sign-in sheet provided by the sponsoring tribe at the activity shall serve as the official attendance and participation record and shall be returned to the Medicine Man by the sponsoring tribe.

ARTICLE VII — AWARDS, PATCHES, AND FEATHERS

SECTION 1

An Awards Banquet shall be held each year in December to recognize Little Braves for their participation in Longhouse sponsored activities of the previous year.

SECTION 2

Participation awards shall be purchased by the Longhouse and shall be based on the number of years that a Little Brave has qualified for such an award, as determined by Article VII, Section 4, of this Constitution and Bylaws (and not based merely on the number of years of Longhouse membership), through the last year such Little Brave shall have qualified to receive an award.

SECTION 3

Each year, the Executive Committee of the Longhouse shall determine the specific participation award to be distributed at each award level.

SECTION 4

Unless specifically altered by a vote of the Executive Committee at the first organizational meeting following the election of officers, the Longhouse year shall commence on October 1st of the calendar year of such officers' election and shall end on September 30th of the following calendar year.

Not later than the date of the first Longhouse sponsored activity in any given Longhouse year, the Executive Committee shall recommend a schedule of Longhouse sponsored activities that may qualify Little Braves for participation awards during that Longhouse year. Such recommendation shall be submitted to a ratification vote of a majority of the members of the Longhouse Council present and voting at their first regular meeting for that Longhouse year. If the recommendation of the Executive Committee is not ratified by the Longhouse Council, then the first order of business of the Longhouse Council shall be to set the schedule of Longhouse sponsored activities that may qualify Little Braves for participation awards during that Longhouse year. Each activity included in such schedule shall be considered as a "qualifying activity" during the ensuing Longhouse year.

From time to time during a Longhouse year, and by a majority vote of the members of the Longhouse Council present and voting at one of their regular meetings, other Longhouse sponsored activities may be added to or substituted for those included in the schedule adopted by the Longhouse Council for that Longhouse year. Any such substitute activity shall stand in the place of the "qualifying activity" it replaces and any such additional activity shall be considered as an "additional approved activity" during such Longhouse year only.

To qualify for a participation award in any given Longhouse year, the total number of “qualifying activities” and “additional approved activities” attended by a Little Brave during such Longhouse year must be equal to at least six (6) events out of the total number of “qualifying activities” approved by the Longhouse Council in setting the schedule of Longhouse sponsored activities at the beginning of such Longhouse year.

In the event a Little Brave joins the Longhouse after the first “qualifying activity” takes place during any given Longhouse year, he nevertheless shall qualify for a participation award for such year if and only if he attends not less than four (4) “qualifying activities” and/or “additional approved activities” during the balance of that Longhouse year and such number of activities attended is not less than 50 percent (50%) of the total number of “qualifying activities” he was eligible to attend during the Longhouse year from and after the date he joined the Longhouse. The Wampum Bearer’s determination of the date a Little Brave joined the Longhouse shall be final for purposes of determining such Little Brave’s eligibility for a participation award under this paragraph of this Section 4.

SECTION 5

Patches symbolizing a Longhouse sponsored activity shall be provided by the Longhouse Council to those Big and Little Braves who participate in the activity. On an activity-by-activity basis, the Executive Committee, in exercise of its sound discretion, shall determine whether members shall be charged for such patches and shall set the price(s) for such patches.

SECTION 6

Special feathers shall be provided by the Longhouse Council to all members of the Executive Committee and their sons.

SECTION 7

Feathers (or other suitable awards as may be determined by the Executive Committee from time to time) may be distributed to participants in Longhouse sponsored activities at the discretion of the Executive Committee.
